**PRACTICE AREAS:**

- Bankruptcy & Workout
- Business Litigation

Mark Castillo has developed a broad bankruptcy practice through representation of numerous Chapter 11 debtors, creditors, official committees, and Chapter 7 and 11 trustees. He has significant experience in all areas of bankruptcy law and litigation, including pre-bankruptcy planning and pre-packaged acquisitions, pre-negotiated reorganizations, liquidation and dissolution, omnibus claims objections, avoidance and recovery actions, disclosure-statement and plan negotiation, and various confirmation and post-confirmation issues. Mark has tried suits involving millions of dollars in bankruptcy-related claims, including turnover, conversion, and contract claims, and has litigated or settled millions more in preference and fraudulent-transfer claims for both plaintiffs and defendants.
